

**Gardiner Prof. Malcolm Kadodwala**  
The University of Glasgow (U.K.)  
School of Chemistry

Left: Prof. Malcom Kadodwala  
Host: OPU Graduate school of Engineering (April, 2018)

**Dr. Martin Herschend**  
Uppsala University (Sweden)  
Department of mathematics

Right: Dr. Martin Herschend  
Host: OPU Graduate school of Science (April, 2018)

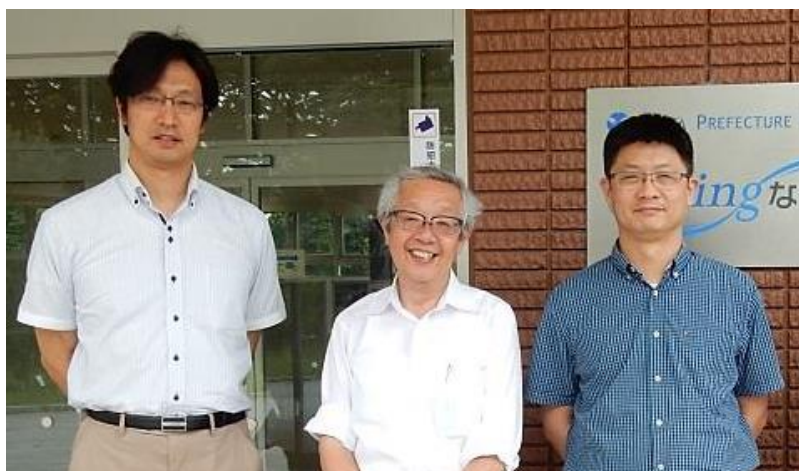

## Special Guest Professor Program in 2018 (Spring semester)

Osaka Prefecture University invites many leading researchers and educators as Guest Professors throughout the year. Each invited professor spends approximately one month at OPU to conduct special lectures, seminars, and individual discussions with faculty and students. The Guest Professor Program aims to stimulate students' intellectual growth, to provide firsthand access to the finest in world-class research, and to build tighter relations between OPU and leading universities around the world.

**Prof. Tiow-Gan Ong**  
Academia Sinica (Taiwan)  
Institute of Chemistry

Right: Prof. Tiow-Gan Ong  
Host: OPU Graduate school of Science (June, 2018)

**Prof. John E. Moore**  
University of Ulster (U.K.)  
Centre for Experimental Medicine

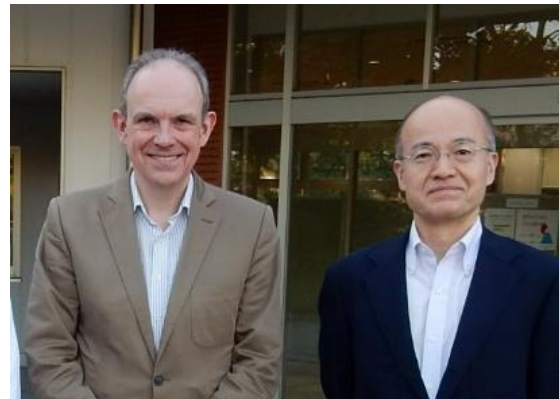

Host: Graduate school of Life and Environmental Sciences (July, 2018)

**Dr. Tomio Petrosky**  
(Senior Research Scientist)  
University of Texas, Austin (U.S.A)  
Department of Physics

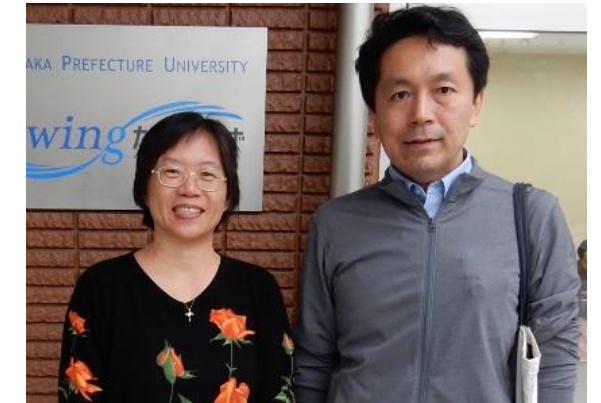

Host: Graduate School of Science (December, 2018)

**Assoc. Prof. Wolfgang Sprengel**  
Graz University of Technology (Austria)  
Institute of Materials Physics

Left: Assoc. Prof. Wolfgang Sprengel  
Host: OPU Graduate school of Engineering (September, 2018)

**Prof. Yu-Feng Winnie Lee**  
New Mexico State University (U.S.A.)  
Department of Economics, Applied  
Statistics and International Business

Left: Prof. Yu-Feng Winnie Lee  
Host: OPU Graduate school of Economics (November, 2018)

## Special Guest Professor Program in 2018 (Fall semester)

Osaka Prefecture University invites many leading researchers and educators as Guest Professors throughout the year. Each invited professor spends approximately one month at OPU to conduct special lectures, seminars, and individual discussions with faculty and students. The Guest Professor Program aims to stimulate students' intellectual growth, to provide firsthand access to the finest in world-class research, and to build tighter relations between OPU and leading universities around the world.

**Prof. Fred R. Schumann**  
University of Guam (U.S.A.)  
School of Business and Public  
Administration

Host: OPU Graduate school of Economics (December, 2018)

**Dr. Bruno Kilunga Kubata**  
(Director)  
NEPAD Agency/ NARHI of the African  
Union (Kenya)

Host: OPU Graduate school of Life and Environmental  
Sciences (December, 2018)

**Dr. Biswajit PAL**  
(Senior Scientist)  
CSIR-The Center of Cellular and Molecular Biology  
(India)  
Structural Biology Group

Left: Dr. Biswajit PAL  
Host: OPU Graduate school of Comprehensive  
Rehabilitation (December, 2018)
