

Dr. Alexis Grimaud

Collège de France(France)
Solid-State Chemistry and Energy
Laboratory

Host: OPU Graduate School of Engineering (May, 2019)

Prof. John P. Kastelic

University of Calgary (Canada)
Department of Production Animal Health

Host: OPU Graduate school of Life and Environmental
Sciences (June, 2019)

Dr. Nguyen Thi Hang Phuong

University of Da Nang (Vietnam)
Faculty of Social Work Department of
Psychology

Host: OPU Graduate school of Humanities and
Sustainable System Sciences (July, 2019)

Special Guest Professor Program in 2019 (Spring semester)

Osaka Prefecture University invites many leading researchers and educators as Guest Professors throughout the year. Each invited professor spends approximately one month at OPU to conduct special lectures, seminars, and individual discussions with faculty and students. The Guest Professor Program aims to stimulate students' intellectual growth, to provide firsthand access to the finest in world-class research, and to build tighter relations between OPU and leading universities around the world.

Prof. Paul B. Larson

Miami University (U.S.A.)
Department of Mathematics

Host: OPU Graduate school of Science (July, 2019)

Assoc. Prof. Lingling Zhang

University of Massachusetts Boston
(U.S.A)
College of Nursing and Health Sciences

Host: OPU Graduate school of Economics (June, 2019)

Prof. Islam A.F.M. Saiful
Sylhet Agricultural University
(Bangladesh)
Department of Crop Botany &
Tea Production Technology

Host: OPU Graduate school of Life and
Environmental Sciences (October, 2019)

Prof. Iqbal Munir
The University of Agriculture
Peshawar (Pakistan)
Institute of Biotechnology &
Genetic Engineering

Host: OPU Graduate school of Comprehensive
Rehabilitation (October, 2019)

Prof. Françoise Colobert
Strasbourg University (France)
Laboratory of Molecular
Chemistry (LCM)

Host: OPU Graduate school of Science
(October, 2019)

**Prof. Joanna Kraenzle
Schneider**
Saint Louis University (U.S.A.)
School of Nursing

Host: OPU Graduate school of Nursing
(December 2019)

Special Guest Professor Program in 2019 (Fall semester)

Osaka Prefecture University invites many leading researchers and educators as Guest Professors throughout the year. Each invited professor spends approximately one month at OPU to conduct special lectures, seminars, and individual discussions with faculty and students. The Guest Professor Program aims to stimulate students' intellectual growth, to provide firsthand access to the finest in world-class research, and to build tighter relations between OPU and leading universities around the world.

**Assoc. Prof. Ioannis
Arvanitidis**

Aristotle University of
Thessaloniki (Greece)
Physics Department

Host: OPU Graduate school of Engineering
(January 2020)

Prof. Robert G. Frank

The University of New Mexico
(U.S.A.)
Department of Family and
Community Medicine

Host: OPU Faculty of Liberal Arts and Sciences
(January 2020)

Dr. Tomio Petrosky

(Senior Research Scientist)
The University of Texas at
Austin (U.S.A.)
Department of Physics

Host: OPU Graduate school of Science
(December 2019)
